

25X1A

NOTE: on attached aide memoire from [REDACTED] and Branch

25X1A

[REDACTED] said in conversation that (a) if his Division had full cognizance over its area including transportation problems, it would not consider an estimate having to do with Civil Air sufficiently important to put out; (b) in their paper on total strategic significance of LA, they did not consider matter of Civil Air important enough for any consideration or mention.
